After years of rotating business relationships instead of maintaining relationships... I finally figured it out. Here's my WIN Template so you can 10x your Network!:

- ✓ **How to Set Up Your WIN Template:**
 - A quick, 4-minute video walkthrough
- ✓ **PDF Guide + Super Toolkit:**
 - Learn to set up your Network Sheet and streamline your networking process.
- ✓ **Video and Template:**
 - Watch the video, grab the empty template, and start customizing.
- ✓ **Connection Building Tips:**
 - Effective strategies for nurturing relationships and scaling your business.
- ✓ **Show, Not Sell:**
 - How to demonstrate value through your network without the hard sell.

How To Create and Use the 10x Network Sheet:

- ✓ **Write Down the Basics:**
 - List everyone's names and note how you met them (podcast, networking event, client).
 - This helps you remember your first interaction.

- ✓ **Add Important Details:**
 - Include fun facts or interests (personal info) to remember your conversations better, and also their job role or company (professional info).
 - This helps personalize our future chats.

- ✓ **Attach a Picture:**
 - Add a photo of each person to recognize their face easily.

- ✓ **Track Your Last Contact:**
 - Note the last time you talked and what you discussed to keep the relationship fresh and relevant.

- ✓ **Build it Into your System:**
 - Add this info to your super toolkits (systems and processes) so your team can update and manage it.

- ✓ **Use it Efficiently**
 - Use the sheet to connect people in your network who would benefit from knowing each other, enhancing the value of your network.
